Pam,

We could start off talking to Sushila, she was on Ex. 5 AC/DP From what I understand that was a ugly case, but than again, I most of the CSO cases are ugly.

I just got done talking with Steve a bit about this. I think it couldn't hurt to have some discussions with R5 about

Ex. 5 AC/DP

with Jen about this approach. We spoke with Ryan from R5 yesterday, and Steve can fill you in on that conversation (is more in the area of handling inflated costs). After we get through tomorrow and perhaps your attorney call next week, maybe we can schedule some time with R5's Regional Counsel and staff. Steve thought they are a good resource for info since they have a lot of CDs, so I'm thinking it couldn't hurt to have some discussions with them about what worked/didn't work with their CD.

How does that sound?

Thanks...
